Saturday, March 22, 2025, at Noon

Pablito's
Mexican Bar & Grill

We had so much fun at the first two Meet-and-Greets (Ride-Ins), we are offering a third.

This "multi-chapter ride-in" is for the Southern California groups, however we are welcoming other chapters and people that have become family and friends from the past.

Our chapter looks forward to seeing all of you. This is a great way to get acquainted with new friends and to re-acquaint old friends.

We want to laugh and have fun while exchanging stories from the past and getting ideas for the future. Come in/on any means of transportation you choose.

Come one, come all.

Please RSVP to Roger Taylor no later than Saturday, March 15th, so we can help the restaurant get ready for us.
